

<b>Job Title</b>	Web Developer
<b>Role Type</b>	Permanent
<b>Location</b>	Bristol
<b>Job Reference</b>	RSK1709

### **About Us**

We are a development/consultancy/training company based near M32 J1 in Bristol. We provide a developer focused working environment - enabling our developers to reach their full potential using the latest hardware and software tools. Employee development is key to the company's success, we provide a variety of ways for you to grow: from in house mentoring; external training courses; conferences both as a delegate and a speaker; 10% time to explore your own ideas and opportunities to work with industry experts on open source projects. There is never a dull day at Rock Solid Knowledge.

### **Role**

We are looking for an experienced Web and C# developer to work on sites for a variety of customers. You will have a history of shipping web sites, including using the latest web technologies.

You will be working as part of a team who are used to working together to achieve excellent results. Our ideal candidate will be someone who is motivated, pro-active and takes pride in their code.
